

Centre of Chemistry & Chemical Excellence

Presents

India's Premier Article Writing Competition - 2021

WRITE FOR CHEMISTRY & CHEMICAL

THEMES

Submit Articles related to the following themes:

- | | |
|---|--|
| 01. Agrochemistry | 14. Materials & Metallurgical Engineering |
| 02. Analytical and Applied Chemistry | 15. Metallurgy and Alloys |
| 03. Catalyst & Catalysis | 16. Modern Chemistry & Chemical Technology |
| 04. Chem-informatics Research | 17. Petroleum Engineering & Technology |
| 05. Chemical and Molecular Engineering | 18. Photochemistry |
| 06. Chemical Engineering and Processing | 19. Polymer & Composites |
| 07. Chemical Separation Technology | 20. Polymer Science & Engineering |
| 08. Chemical Synthesis and Chemical Reactions | 21. Prevention and Control of Industrial Pollution |
| 09. Composite Materials and Matrices | 22. Renewable Energy and its Commercialization |
| 10. Emerging Trends in Chemical Engineering | 23. Thermodynamics and Chemical Kinetics |
| 11. Energetic Materials | 24. Thin Films, Coating Science Technology & Application |
| 12. Environmental Chemistry | 25. Water Pollution & Purification Research |
| 13. Green Chemistry | |

Chief Mentor

Prof. Dr. R. K. Khandal

President R & D and Business Development Head,
India Glycols Ltd.
